Judge Gunnell and family will leave for Leadville about the 5th of June, ac companied by his parents and his sisters Kate and May, who go to Colorado

of this county, was born in Virginia, on the 11th day of October, 1827, from whence he emigrated with his parents across the plains for the gold fields of California, and arrived there at a mincalifornia, and arrived there at a min-fug camp then known as Hangtown. He remained there but a few months, where he labored in the mines and then came to Oregon on a sailing vessel, and was twenty-five days at sea. He at first twenty-five days at sea. He at first stopped in Oregon City, where he arrived late in the fall of 1850. He then went to Philip Foster's, where he remained about a year, and part of that time taught school, after which he located on the place that is now known as the Beatie farm, in Beaver Creek precinct, where he stayed till about four years ago, when he moved to Oregon City, where he has ever since resided. For over thirty-one years he was one of Clackamas county's most highly esteemed citizens. His official career was as follows: Was four terms (eight years) assessor of the county, the first when the domain of Clackamas extended from the domain of Clackamas extended from that day to muster more than 114 votes its present boundary west of the Wil-lamette eastward to the Rocky Moun-When the tains; was appointed deputy county treasurer, and served as deputy sheriff during the term of Capt. A. F. Hedges, and also served the best interest of the state as a canal and locks commissioner for two years, commencing in the fall of 1878.

He was many times the choice of his a serious question whether the ring-party as a candidate for various offices ing of church bells should not be prothe minority, he did not succeed. than one on a theater. Two years ago he was elected chairman of the democratic state central commit-

VANE. CALVERT & CO.'S CELEBRATED PAINTS

Ready-Mixed for Use, in Convenient Packages, In Beautiful Colors and all Variety of Shades.

I have been selling these Paints for a number of years with universal satisfaction to my trade, and can show in view of my office a number of jobs which attest its excellence, beside exhibiting a number of unexceptionable certificates as to its merit. There is none other like it for convenience, for durability and for fine, glossy finish. Persons needing Paints cannot afford to fail to examine it.

FINE VARNISHES.

I keep Tascott & Sons', which is of most excellent quality—none better—and which comes in tin cans from one pint upward in size, so that a lady can use a little of it to varnish a chair, a bureau or a bedstead, pour what is left back into the can, and preserve it for years if she so desires. A brush will cost her 20 cents, and can be made to last a long time. Thus it is very cheap and convenient. No one need now to have rusty-looking furniture, when a few cents will buy enough Varnish to brighten it up. Ladies, call look at my Tascott Varnishes. They are cheap and always Read proof below ready for use.

I believe that I can supply 'a long felt want' in furnishing by the gallon (more or less)
